Dear Parents

I was glad to receive your letter last evening. I received a letter from Lina ~~Wednesday~~ and one from Lucy and Henry this evening. The <sup>battles</sup> at Forts Henry and Donaldson have created some excitement; Col. Lew Wallace is in command of Fort Henry, and is promised the command of the advance on Nashville.

Prof. Kidd will deliver his last lecture <sup>on</sup> elocution this evening but he will deliver a lecture on Physical education next ~~Wednesday~~ evening.

He is a great lover of gymnastics he gave us some lessons in free gymnastics after almost every lesson; he says Henry W. Beecher is a great ~~gymnast~~ and would if he could do so privately take a spar with Keenan. Prof. Hadley is to be ordained elder next Sunday morning.

Yours with much love

Ransom.
